

Nutbrook Trail

A 10 mile traffic-free path between Long Eaton, Shipley Country Park and Heanor

The path is for equal use by pedestrians and cyclists.

Horse riders can use the Stanton Branch line section as a permissive route, the route north of Straws Bridge, and the whole of the section that passes through Shipley Country Park.

Please be aware of, and considerate to, other path users.

Please contact the relevant organisation regarding issues, permits, barrier keys for canal section, event bookings etc. (see over).
